UCEAP Participation Letter
Instructions

The UCEAP Participation Letter verifies your student status at the University of California, your financial status, and your coverage under the mandatory insurance policy. You will submit copies of the letter to CampusFrance and to the French Consulate as part of the student visa application process.

Once you have received the link to your Predeparture Checklist, you will receive the UCEAP Participation Letter within two to three weeks from your campus EAP office. As soon as you receive your UCEAP Participation Letter, check the letter to make sure all information included is correct (the letter may include your name, birth date, birthplace, program dates, etc.). Your name should be exactly as it appears in your passport. If you find a mistake, please contact Lauren Nestler at lnestler@eap.ucop.edu immediately.

Make three photocopies of this letter and do the following:

- Mail one photocopy with payment to CampusFrance as part of your CampusFrance registration – see the CampusFrance Registration Instructions for more information.

- Bring the original letter and one photocopy to the French Consulate when you go in person to apply for your student visa. Highlight the paragraph containing insurance information on both the original letter and the photocopy before submitting them to the consulate.

- Keep one photocopy for your records (you should take this copy to France with you).
