INDIA FALL PROGRAMS, 2011
(Print and take this information abroad with you)

All participants must arrive in Delhi on or by June 19, 2011

There is an EAP-arranged group flight to Delhi departing SF and LA on June 18, 2011 (with check-in on June 17). See the link to the travel agent’s information and reservation form at http://travelcuts.com/us/eap. EAP students are strongly encouraged to participate in the EAP group flight. Group flight participants will be met at the Delhi airport by EAP Resident Program Director, Viji Puliampet, and will be taken to the YWCA International Guest House in New Delhi.

Arrival at the Delhi airport is a “hard start” for most students. That is why a group flight has been arranged and offered. If there is some overriding reason that you must travel independently of the EAP group, please be aware of the following:

- **Independent travelers** (those arriving apart from the EAP group flight) cannot be met at the airport. If traveling independently, you must find and book a flight to Delhi that arrives no later than the afternoon or early evening of June 19, and you must find your way from the airport to the YWCA International Guest House and check in there. Local residents recommend taking a prepaid taxi from the airport to the Guest House. Tell the driver of the cab to go to Sansad Marg, meaning ‘Parliament Street’, to the YWCA International Guest House (not just ‘YWCA’ or ‘YMCA’ - all these are located in the same vicinity). The International Guest House (where you are booked) is on Parliament Street (Sansad Marg), opposite the Parliament Street Police Station (see map on next page).

- **EAP students failing to present themselves at the correct location (YWCA International Guest House in New Delhi), on the established arrival date (June 19) are subject to dismissal from the program (see Student Agreement).**

Before departing for the ILP in Mussoorie, EAP students will spend the first few days at the YWCA International Guest House. The address is: YWCA International Guest House at 10 Sansad Marg in New Delhi, 111-001. This “Y” is near Connaught Place, about 45 minutes from the airport.

During the stay at the YWCA Int’l Guest House, Delhi University participants will be able to look for housing in Delhi. The EAP Study Center staff will assist by providing the names and addresses of rental properties in the vicinity of Delhi University, which students may then view and choose before departure to the Intensive Language Program in Mussoorie.

If unforeseen circumstances detain you, you MUST contact the EAP Resident Program Director, Mr. Viji Puliampet, and notify him of your situation:
