June, 2009

Dear EAP Reciprocity Student,

Congratulations on your acceptance as an Education Abroad Program (EAP) Reciprocity Student at the University of California San Diego. The staff of the EAP/Programs Abroad Office welcomes you to UCSD and San Diego!

MANY SOURCES OF INFORMATION are available to help you as you prepare to come to San Diego. Some issues are different for EAP Reciprocity than for other international students at UCSD, so please refer to all of the following websites:

- UCSD EAP Reciprocity <http://pao.ucsd.edu/pao/EAPreciprocity.htm>
- UCSD International Student and Scholar Office Arrival Information <http://icenter.ucsd.edu/students/admitted.html>
- UOEAP Information for UCSD Reciprocity Students http://eap.ucop.edu/reciprocal_exchanges/pre-arrival/

These include information specifically for you about housing, arrival, course enrollment, orientations and health insurance at UCSD. Take note of the contact information in these resources, because by communicating directly with the appropriate office, your questions can be answered quickly.

EAP RECIPROCITY INFORMATION FORM: If you haven't already done so, please complete and return the form to this office as soon as possible. http://eap.ucop.edu/reciprocal_exchanges/pub/UCSD_Recip_Info_Form.pdf

ARRIVAL: When you arrive at UCSD, please be sure to check in at the International Student/Scholar Office and the EAP/Programs Abroad Office; both offices are located in the International Center.

We hope you will become involved in many EAP and campus activities. At the beginning of Winter Quarter we will hold a welcome dinner for Reciprocity Students and study abroad returnees. There are many ongoing international activities including the International Club and International Cafes. We also hope you will help us with orientations for UCSD students interested in studying in your home country in the future.

We look forward to meeting you and helping to make your time at UCSD enjoyable.

Sincerely,

Molly Ann McCarren
Kathleen McLaren-Hawking
EAP Advisors
