

CONTENT OWNERSHIP BREAKDOWN FOR *eap.ucop.edu*

Loosely defined "owner" as the person responsible for:

1. Recognizing the constituents or stake holders of the information.
2. Coordinating with the stake holders and vetting the information with them.
3. Updating the source material (which should be a Word Document in the F:/Public directory).
4. Notifying D&E when updates are completed and ready to be updated in communication materials (i.e. on the web or in a publication).
